Company Profile

Headquartered in Kernersville, NC, EFI (formerly Exact Finish Inc.) is a leading manufacturer and progressive designer of original and custom aluminum framed doors, room dividers, architectural glass and other interior products featuring modern translucent glass designs.

Since its founding in 1999, being an integral player in the modern design movement has been central to the company's vision. Today, EFI is recognized for its innovative fusion of Contemporary European style with accomplished American production and distribution.

EFI's array of architectural solutions for fine interiors, including office spaces, hotels and private residences, include:

- Aluminum Framed Doors □ Glass Doors □ Shelving □
- European Cabinet Fronts □ Room Dividers □ Architectural Glass □ LED Lighting □

&

For the most unique projects, EFI offers custom solutions for:

- Architects/Designers □ Kitchen/Bath/Closets □ Office □ Hospitality □
- Commercial □ Architectural Glass □

EFI's state-of-the-art production facility in Kernersville, NC, is equipped with the latest manufacturing technology. And, with flexible inventory on hand, EFI offers just-in-time delivery and a readiness to custom design, too.

Clients such as Steelcase, Kimball and Wood-Mode trust EFI to deliver inspired solutions, exceptional quality and prompt service every time.

Led by Kevin Moore, president, and Brent Moore, vice-president, EFI prides itself on the *insight, innovation* and *influence* at the heart of its business mission.
