

Glass Marker Boards

The versatile, advanced efi Glass Marker Board makes the days of chalk dust and dry erase residue a thing of the past. Durable, adaptable and mess-free, with Glass Marker Board, you can write with (and easily erase) permanent markers, post sticky notes or use magnets.

Perfect for the office or home, our Glass Marker Board is constructed of low-iron glass with a thin gauge steel backing. Ideal for showcasing important documents, notes or even your child's most recent artwork, it's now available in custom sizes for wall mounting, partitions, furniture and more.
